

COLORADO INTERFAITH PLEDGE ON IMMIGRATION

“As Coloradans of faith, we recognize the sacred humanity of all immigrants. Our diverse faith traditions teach us to welcome our sisters and brothers with love and compassion. We affirm that public policies are moral statements. Our faith calls us to pursue policies that uphold the human dignity of each person and value the wholeness of each family unit.

Therefore:

I commit to stand for America’s finest ideals and core community values and publicly reject the politics of division and isolation that fan anger and hate against any person or community. I will work towards just, workable and humane immigration reform.”
